Contents

Would you say things in this country today are...	2
Would you say that as compared to one year ago, the nation's economy is now better, about the same, or worse?	4
Some people follow what's going on in government most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on...	6
Are you registered to vote?	8
Do you approve or disapprove of the way Donald Trump is handling his job as president?	10
Thinking ahead to November of 2020, do you intend to vote in the 2020 general election for President of the United States?	12
Now take a minute and think back to the 2016 Presidential election. Did you vote for ... - Selected Choice	14
Would you consider voting for Donald Trump in the 2020 general election?	16
Would you consider voting for someone other than Donald Trump in the 2020 general election?	18
Will you or did you vote in the Democratic or Republican Presidential primary or caucus in your state in 2020?	20
Here are the names of some groups that are in the news from time to time. How favorable is your impression of each group or haven't you heard enough to say? - Whites	22
Here are the names of some groups that are in the news from time to time. How favorable is your impression of each group or haven't you heard enough to say? - Blacks	24
Here are the names of some groups that are in the news from time to time. How favorable is your impression of each group or haven't you heard enough to say? - Latinos	26
Here are the names of some groups that are in the news from time to time. How favorable is your impression of each group or haven't you heard enough to say? - Asians	28
Here are the names of some groups that are in the news from time to time. How favorable is your impression of each group or haven't you heard enough to say? - Evangelical Christians	30

If the Democratic Presidential primary or caucus in your state were held today, which candidate would you support: - Selected Choice	68
If the Republican Presidential primary or caucus in your state were held today, which candidate would you support: - Selected Choice	70
If you've already voted in the Democratic Presidential primary or caucus in your state, which candidate did you support? - Selected Choice	72
If you've already voted in the Republican Presidential primary or caucus in your state, which candidate did you support: - Selected Choice	76
Should the Republican Party nominate a candidate other than Donald Trump for the 2020 presidential election?	80
Now thinking about Congress, if elections for the U.S. House of Representatives were held today, would you support ...	82
Now thinking about Congress, if elections for the U.S. Senate were held today, would you support ...	84
And what if the election for your states Governor were held today, would you support...	86
If the general election for president of the United States was a contest between Joe Biden and Donald Trump, who would you support?	88
If the general election for president of the United States was a contest between Bernie Sanders and Donald Trump, who would you support?	90
If the general election for president of the United States was a contest between Mike Bloomberg and Donald Trump, who would you support?	92
If the election were between Joe Biden and Mike Pence which would you support?	94

Nationscape Wave 41

April 23 - 29, 2020 (N = 6,350 US Adults)

If the election were between Mike Bloomberg and Mike Pence which would you support?	96
If the election were between Bernie Sanders and Mike Pence which would you support?	98
Do you think the following candidates care about telling the truth more, less or about the same amount as most people in public life? - Donald Trump	100
Do you think the following candidates care about telling the truth more, less or about the same amount as most people in public life? - Joe Biden	102
Do you think the following candidates rely on their hunches without checking facts more, less, or about the same amount as most people in public life? - Donald Trump	104
Do you think the following candidates rely on their hunches without checking facts more, less, or about the same amount as most people in public life? - Joe Biden	106
Please tell us how much you agree or disagree with the following statements. - Irish, Italians, Jewish and many other minorities overcame prejudice and worked their way up. Blacks should do the same without any special favors.	108
Please tell us how much you agree or disagree with the following statements. - Generations of slavery and discrimination have created conditions that make it difficult for blacks to work their way out of the lower class.	110
Please tell us how much you agree or disagree with the following statements. - I prefer that my close relatives marry spouses from their same race	112
Please tell us how much you agree or disagree with the following statements. - I think it's alright for blacks and whites to date each other	114
Please tell us how much you agree or disagree with the following statements? - I would be more comfortable having a man as a boss than a woman	116
Please tell us how much you agree or disagree with the following statements? - Women are just as capable of thinking logically as men	118
Please tell us how much you agree or disagree with the following statements? - Increased opportunities for women have significantly improved the quality of life in the United States	120
Please tell us how much you agree or disagree with the following statements? - Women who complain about harassment often	

cause more problems than they solve	122
How much discrimination is there in the United States today against each of the following groups? - Blacks	124
How much discrimination is there in the United States today against each of the following groups? - Whites	126
How much discrimination is there in the United States today against each of the following groups? - Muslims	128
How much discrimination is there in the United States today against each of the following groups? - Christians	130
How much discrimination is there in the United States today against each of the following groups? - Jews	132
How much discrimination is there in the United States today against each of the following groups? - Women	134
How much discrimination is there in the United States today against each of the following groups? - Men	136
How much discrimination is there in the United States today against each of the following groups? - Asians	138
In general, how would you describe your own political viewpoint?	140
Which of the following best describes your current employment status? - Selected Choice	142
Were you born in the United States or another country?	145
Do you use a language other than English to talk to people in your household?	147
What is your present religion, if any? - Selected Choice	149
Would you describe yourself as a born-again or evangelical Christian, or not?	153
Do you identify as [straight/gay/lesbian/bisexual/other]	155
Are you a member of a labor union?	157
Does anyone in your household own a gun?	159
We'd like to know whether you agree or disagree with each of the following policies: - Build a wall on the southern US border	161

Nationscape Wave 41
April 23 - 29, 2020 (N = 6,350 US Adults)

We'd like to know whether you agree or disagree with each of the following policies: - Cap carbon emissions to combat climate change	163
We'd like to know whether you agree or disagree with each of the following policies: - Require background checks for all gun purchases	165
We'd like to know whether you agree or disagree with each of the following policies: - Cut taxes for families making less than \$100,000 per year	167
We'd like to know whether you agree or disagree with each of the following policies: - Eliminate the estate tax	169
We'd like to know whether you agree or disagree with each of the following policies: - Raise taxes on families making over \$600,000	171
We'd like to know whether you agree or disagree with each of the following policies: - Ensure that all students can graduate from state colleges debt free	173

Restaurants, hotels, factories, and a variety of other business have closed their doors and millions of Americans have lost their jobs due to the spread of coronavirus. Some people think we should re-open the economy regardless of how many more people get sick from doing so while other people think we should do whatever we can to prevent any increase in infections. What about you? How many additional infections would you be willing to tolerate in order to open the economy?
